

BLOMFELT

This 29 acre parcel, purchased by the Conservation Commission in 1978, serves as a connector link for townspeople living on Ayer Road, Old Mill Road, and Glenview Drive with Holy Hill. Starting from Ayer Road the trail crosses a wet meadow, travels through tall pines and boulders rising steeply as you approach the ball field. The trail is not suitable for horses in the wet areas or over the bridge.

Approximate walking time one way: 35 mins. - moderate
